This document identifies the MLE and VLE systems currently in use at the ANGEL partner institutions, and the courses that will be used in ANGEL pilots.

1.1 Use of MLEs at Partner Institutions

South Bank University:

- ◆ **WebCT** – used to support health courses and some business courses. A trial area for LITC has been set up (Angel Support). See: http://www.lisa.sbu.ac.uk/os carr/2nd_level/learn/webct.htm.
- ◆ **Blackboard** – no concrete use at yet, but some staff members are ‘experimenting’ and future use is expected.
- ◆ **FirstClass** – used by the Faculty of Health. See: <http://www.health-fc.sbu.ac.uk/>
- ◆ **Lotus Domino** – used by the SCISM department, with a focus on content management. Controlled through a unit guide, [http://edtech.sbu.ac.uk/units/catalog/catalog03.nsf/\\$All?OpenView&CollapseView](http://edtech.sbu.ac.uk/units/catalog/catalog03.nsf/$All?OpenView&CollapseView)
All course material password protected.

DeMontfort University:

- ◆ **WebCT**
- ◆ **TopClass**
- ◆ **FirstClass**
- ◆ **BSCW** (Basic Support for Cooperative Work) - about collaboration and shared workspace over the internet. Would not fit our model of an MLE.
- ◆ **campusnet** - more of a student portal than a learning environment.

Edinburgh University:

For information about MLEs at Edinburgh see:
http://www.malts.ed.ac.uk/learning/types/learn_env.html

- ◆ **WebCT** - used by several different subject areas, see: http://reekie.ucs.ed.ac.uk:8901/webct/public/show_courses.pl
 - ◆ **Blackboard** - mentioned in interviews but no evidence of official use in university.
 - ◆ **IVLE (National University of Singapore)** - see: <http://ivle000.malts.ed.ac.uk/>
 - ◆ **Sqweems, Edinburgh student portal** - Still under development
-

- ◆ **COSE** - mentioned in interviews but no evidence of actual use within the University.

London School of Economics:

- ◆ **WebCT** - used by Anthropology, Economic History, Government, International Relations, law, and Sociology courses. See: http://webct.lse.ac.uk/webct/public/show_courses.pl
- ◆ **The PIE** - <http://www.headline.ac.uk/>

Sheffield Hallam University:

See The Sheffield Hallam “Virtual campus”: http://www.shu.ac.uk/virtual_campus/

- ◆ **TopClass** - used for Sport and Leisure Management, Science and Maths, and Environment and Development. See: http://www.shu.ac.uk/student_intranet/topclass.html
- ◆ **Blackboard** - recently acquired.
- ◆ **FirstClass** - being used for e-mail and conferencing by a variety of departments, see: http://www.shu.ac.uk/student_intranet/firstclass.html.

1.2 Identified Courses for participation in ANGEL project

South Bank University:

Course: Radiography
Contact: Mike Tatlow

De Montfort University:

Course: Principles of Marketing
Contact: David Pickton

Course: Pharmacy
Contact: Malcolm Andrew

Course: Computer Science
Contact: Pat Jefferies

Course: Undergraduate photography
Contact: Iona Cruickshank

University of Edinburgh:

Faculty of Science and Engineering.

London School of Economics:

Course: Economics (EC426)
Contact: Frank Cowell

Course: Economics (EC102)
Contact: Jonathon Leape

Course: Economics (EC201)
Contact: Jonathon Leape

Other Contacts:

Course Convenor – Professor Richard Jackman
Departmental Administrator: Helen Gadsen
Lecturer: Danny Quah

Sheffield Hallam University:

School of Business and Finance.
